More help

Self-help groups

You can find a large number of self-help groups at SEKIS e.V., for example, see [here](#).

Emergency medical service/appointment service center (Kassenärztlicher Notdienst/Terminservicestelle)

The Kassenärztliche Notdienst helps when doctors' offices are closed at night or on weekends. Since 2020, the on-call service has also assisted in getting timely appointments with specialists and psychotherapists.

- Tel.: 116117
- Information [here](#)
